

Request for Qualifications of Firms for Community Pool Replacement

The City of Purcell is advertising for a Request For Qualifications (RFQ) for interested companies to submit a Statement Of Qualifications (SOQ) for an Aquatic Center/Waterpark project. The project will include community engagement events to determine interests, a location feasibility study, design and overall project management.

The SOQ should include at a minimum,

- Consultant firm name, address, and primary contact.
- A description of the specific staff that will comprise the project team for this assignment. This should include background, experience and qualifications. Include similar information on any other significant external resources you propose to use, such as contracted services. Also illustrate the roles and responsibilities of project team members.
- Samples of related/comparable past projects that would serve as examples of experience and expertise necessary for this project.
- Experiences in design and development of aquatic facilities, spray pads / water playgrounds, park buildings, bathhouses, landscape improvements and related facilities in park settings.
- References

SOQ's in a sealed envelope must be submitted Dale Bunn, Manager, City of Purcell, 230 W. Main Street, Purcell, OK 73080 no later than September 10, 2014. Community information and resources can be found at www.purcell.ok.gov
